Mirror Tag System

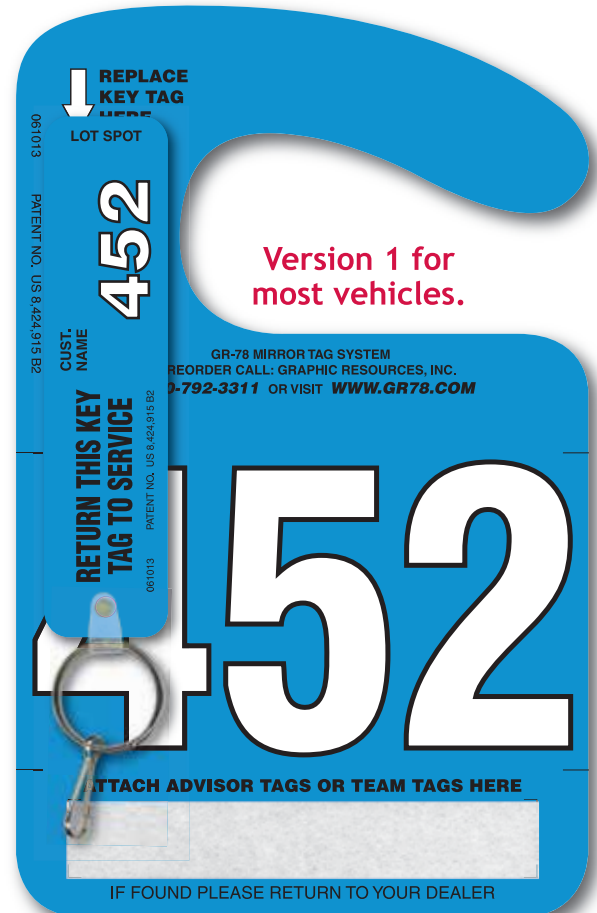

GR-78 MIRROR

Mirror Tag System

- 5.5" X 8.75" durable construction
- Large 3 digit numbering on both sides
- Removable and reusable Key Tag
- Tags hang conveniently in their own Display Box with a tray for assorted Advisor and Team Tags
- Tags hang easily from todays new vehicle mirror

Available in two versions to fit various vehicle models.

Advisor Tags

- Advisor Tags effectively communicate between the Service Advisors and the Service Technicians

Team Tags

- Team Tags can be used to designate teams on the service drive or you can write on them to communicate special notices about a vehicle

V.S.

R TAG SYSTEM

Reusable Key Tags

- Attaches easily to customer's keys
- Write customer's name or parking location on the tag using a standard Sharpie® marker
- Wipes clean with alcohol or brake cleaner
- Reattaches with Velcro® to Mirror Tag for convenient storage

Also Available

- 3 digit Mirror Tags are available in 8 different colors. Green, Red, Blue, Orange, Yellow, Grey, Pink, or Purple

Custom Mirror Tags

We also offer custom tags that can be printed in any color with your dealership's logo and your preferred numbering sequence. This allows you to look more professional and make it easier to keep track of the tags.

- *Your Dealership and/or group logo*
- *You pick the color(s)*
- *You decide the numbering*
